We regularly advise health industry clients on compliance matters and liability avoidance strategies, including the implementation of corporate compliance programs. We represent clients in connection with state and federal civil, criminal and administrative investigations, audits and prosecutions. Our attorneys conduct internal investigations often assisted by consultants in connection with Medicare and Medicaid recoupment demands, allegations of fraud and abuse and false claims. We defend state and federal False Claims Act cases, including whistleblower retaliation claims. Several of our Health Care Litigation attorneys have been state and federal prosecutors or have served in state health care regulatory agencies.
