Are you the parent or grandparent of a child with an intellectual or developmental disability such as autism? This workshop will provide an overview of the legal and financial steps to access critical supports and government benefits. Topics covered will include guardianship proceedings in Surrogate's Court, government benefits for individuals with disabilities and the estate planning that must be done to protect an inheritance or lawsuit settlement for people with disabilities.

Planning is empowerment. Learn about the steps that will provide you with peace of mind that you have done everything in your power to secure for your loved one's future needs.

Speaker: Frances M. Pantaleo, Esq., Bleakley Platt & Schmidt, LLP
